Dear Equifax,

I am writing to you following a thorough review of my credit report, during which I found several inaccurate items.

According to 15 U.S. Code 1681e (b) which specifies 'Accuracy of report,' whenever a consumer reporting agency prepares a consumer report, it is expected to follow reasonable procedures to assure the maximum possible accuracy concerning the individual about whom the report relates.

Additionally, 15 U.S. Code 1681i (5) states on the 'Treatment of inaccurate or unverifiable information,' in general terms, that after reinvestigation under paragraph (1) of any information disputed by a consumer, any item found to be inaccurate, incomplete, or unverifiable should promptly be deleted or modified, based on the reinvestigation results. Furthermore, the furnisher of the information should be quickly informed if any modification or deletion has been executed on a consumer's file.

I hereby request that the following items are urgently removed from my credit report:
